

430261

Technical Specification

Alwen Plug & Play 12V PIR Sensor 10M Black

Product Information

Product Group	Sensors & Drivers
Description	Alwen Plug & Play 12V PIR Sensor 10M Black
Product Name	Alwen PIR Sensor
Product Colour	Black
Warranty	5 Years

General Information

IP Rating	IP65
Operating Temperature	-10 - 40 °C

Electrical Information

Class	Class III
Connection Type	3.5mm Jack

430261

Technical Specification

Driver Information

Input Voltage 12V DC

Sensor Information

Sensor Type PIR

Mounting Height MAX 10m

Hold Time 10 seconds - 15 minutes

Stand-by Level 0% | 10% | 30% | 50%

Stand-by Delay 1min | 30min | 60min | +8

Detection Area 20% | 50% | 75% | 100%

Daylight Sensor disable | 10lux | 30lux | 50lux

Detection Radius 360 Degrees

Shipping Information

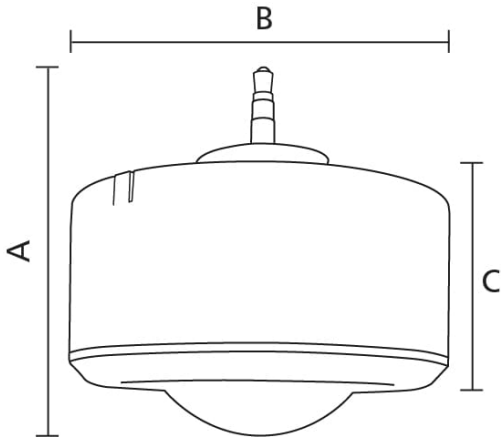

Barcode 5055379558039

Certification

CE Marked Yes
